

Please consider each question below and write in your answer. Think about the following points when answering. Please write clearly.

- class assignments
- readings
- simulations
- textbooks & supplementary materials
- grades & testing
- instructional methods

1. List one to three (or more) aspects of this course which are positive.

1. Prof. Brommage was available to help students way above any expectation I had - THANK YOU!
2. Prof. Brommage's enthusiasm made course worthwhile
- 3.

2. List two (or more) suggestions that you think might be beneficial to the instructor to help improve this course.

- Possibly not use such complicated verbiage - I hate to say "dumb down" - but for non-logical minded students who don't appreciate math - this is a lot to ingest for an intro course.

3. Please write in any additional comments you wish to add about this instructor or the course to date.

I really appreciate the instructor's knowledge of course material (which is overwhelming for someone who had the wrong idea of what an "argument" was @ registration!) Thanks so much for taking the time to repeatedly explain! Thanks for the patience as well!

10/06 I will continue to recommend course/professor to other nursing students

- class assignments
- readings
- simulations
- textbooks & supplementary materials
- grades & testing
- instructional methods

1. List one to three (or more) aspects of this course which are positive.

Class discussions
working on homework in class

2. List two (or more) suggestions that you think might be beneficial to the instructor to help improve this course.

Let us write out proofs on board.

3. Please write in any additional comments you wish to add about this instructor or the course to date.

Please consider each question below and write in your answer. Think about the following points when answering. Please write clearly.

- class assignments
- readings
- simulations
- textbooks & supplementary materials
- grades & testing
- instructional methods

1. List one to three (or more) aspects of this course which are positive.

The instructor is always available before class to answer question

The instructor is very approachable

2. List two (or more) suggestions that you think might be beneficial to the instructor to help improve this course.

With only a small number of quizzes that do not have much weight and two major exams there is a lot of pressure put on the midterm and final - It would be better to have a test after each chapter

3. Please write in any additional comments you wish to add about this instructor or the course to date.

Please consider each question below and write in your answer. Think about the following points when answering. Please write clearly.

- class assignments
- readings
- simulations
- textbooks & supplementary materials
- grades & testing
- instructional methods

1. List one to three (or more) aspects of this course which are positive.

Simulations
Instructional methods - amazing
grades & testing - fair but challenging

2. List two (or more) suggestions that you think might be beneficial to the instructor to help improve this course,

~~Make more of the same~~

3. Please write in any additional comments you wish to add about this instructor or the course to date.

This ~~prof~~ teacher was amazing.
Thomas Brommage is the man.
