

Please consider each question below and write in your answer. Think about the following points when answering. Please write clearly.

- class assignments
- simulations
- grades & testing
- readings
- textbooks & supplementary materials
- instructional methods

1. List one to three (or more) aspects of this course which are positive.

Instructional methods
textbooks and supp. materials
class assignments

2. List two (or more) suggestions that you think might be beneficial to the instructor to help improve this course.

Should make the course more challenging,
Also, if one particular student is struggling -
should help them outside of class so the
class can move on.

3. Please write in any additional comments you wish to add about this instructor or the course to date.

Accommodates different learning styles well,
is more than willing to help students who need
it.

Please consider each question below and write in your answer. Think about the following points when answering. Please write clearly.

- class assignments
- readings
- simulations
- textbooks & supplementary materials
- grades & testing
- instructional methods

1. List one to three (or more) aspects of this course which are positive.

- quizzes weren't too difficult
- class assignments were reviewed well
- textbook was good

2. List two (or more) suggestions that you think might be beneficial to the instructor to help improve this course.

- an advanced logic course would be good since the pace of the class had to slow a lot for certain students

- less one-on-one time should be spent in class, students having extra difficulty should stay after so other students don't get bored

3. Please write in any additional comments you wish to add about this instructor or the course to date.

Please consider each question below and write in your answer. Think about the following points when answering. Please write clearly.

- class assignments
- readings
- simulations
- textbooks & supplementary materials
- grades & testing
- instructional methods

1. List one to three (or more) aspects of this course which are positive.

- 1) very interesting material
- 2) makes you think

2. List two (or more) suggestions that you think might be beneficial to the instructor to help improve this course.

- 1) slow down!
- 2) slow down!

3. Please write in any additional comments you wish to add about this instructor or the course to date.

He is very intelligent, he does an excellent job teaching, sometimes he doesn't ~~do~~ slow it down to people who are not understanding, but overall a very good professor. He does a good job with helping students.

1. List one to three (or more) aspects of this course which are positive.

well taught
Professor

2. List two (or more) suggestions that you think might be beneficial to the instructor to help improve this course.

could spend less time reviewing the same stuff
just b/c people miss class, not fair for the
people who were in class, now hearing it
all twice.
