1. List one to three (or more) aspects of this course which are positive.

Unique class.
Professor cares about the subject greatly.
" Answers any and all questions and is inviting about extra help or any problems we have.

2. List two (or more) suggestions that you think might be beneficial to the instructor to help improve this course.

Talk earlier in proofs about looking at the conclusion to figure out what rule(s) to use.

3. Please write in any additional comments you wish to add about this instructor or the course to date.

For what the class is and since most took it as an elective, the prof. did well.

Please consider each question below and write in your answer. Think about the following points when answering. Please write clearly.

- class assignments
- readings
- simulations
- textbooks & supplementary materials
- grades & testing
- instructional methods

1. List one to three (or more) aspects of this course which are positive.

- assignments
- books

2. List two (or more) suggestions that you think might be beneficial to the instructor to help improve this course.

I think you did a great job and explained logic in the most easiest, understandable way possible. Good luck in the future !!
y

3. Please write in any additional comments you wish to add about this instructor or the course to date.

→ Doing the two problems in class is def. the most helpful
→ Study guides are very helpful to help study
→ Always having office hrs to help is good

Please consider each question below and write in your answer. Think about the following points when answering. Please write clearly.
